Eastern Mediterranean University Tourism Faculty is getting ready to hold important events in scope of the 7th Career Days. In this respect, Tourism Faculty will be bringing together experts and students as well as the members of the local community at two important events, namely 'Slow Movement Panel' and "Digital Transformation Panel" taking place on 6 and 8 May 2019. Both panels, which will be open for the participation of the students and public, are expected to attract representatives of the tourism sector, TRNC Ministry of Tourism and Environment representatives and all other interested parties.

Slowfood Movement Panel

Within the scope of the International Mediterranean Gastronomy Festival", a "Slowfood Movement Panel" will be held at Mustafa Afşin Ersoy Hall on Monday, 6 May 2019, at 10:30 a.m. During the said organisation, international experts will share

their knowledge and experiences with the participants.

In a statement released, Dean of Faculty of Tourism Prof. Dr. Hasan Kılıç stated that a panel on the "Slowfood Movement" will be held for the first time in the academic environment and that they aim to raise awareness regarding food culture and movement of the country.

Prof. Dr. Kılıç also added that Neptün Soyer (Köy Koop İzmir Union Executive Board President), Barbara Massaad (Slow Food Leader in Lebanon, Culinary Writer, Photographer), Ayfer Yavi (Slowfood Turkey Yağmur Böreği Lideri) and Zekai Altan (Slowfood Galatya Leader, Researcher, Entrepreneur) will be attending the panel.

Digital Transformation in Tourism Panel:

Another event taking place in scope of career days is a panel titled "Digital Transformation

in Tourism". Taking place at Mustafa Afşin Ersoy Hall at 1:00 p.m. on Wednesday, 8 May 2019, the panel will touch upon digital developments and the importance of online sales and marketing in tourism.

Among notable speakers in the panel are tatilsepeti.com General Director Koray Küçükylmaz, Hotel Runner Director Rıza Kaynak, Founder of Novusens Innovation and Entrepreneurship Institute Berrin Benli and Consultant of IBM WATSON IOT Engineering Solutions Dr. Mehmet Kerim Çakmak. Prof. Dr. Kılıç also highlighted that the panels will pose large contributions to the country, both in terms of tourism and its culture.

Prof. Dr. Kılıç invited the participation all related parties in the event, including the personnel of the Ministry of Tourism and Environment, professionals in the tourism sector, representatives and all those involved in tourism.
